**FORT WORTH POLICE OFFICERS' AWARD FOUNDATION
HOLDS OFFICER ELECTIONS**

John Joyce, Deputy Director for Bass Companies Security, has been re-elected chair of the Board of Trustees of The Fort Worth Police Officers' Award Foundation. Joyce has served on the Board since 2000. He is known for his devotion to the law enforcement community, also serving as President of the Fort Worth Police Bike Patrol Citizens Support Group.

Glen Hahn was elected vice chair succeeding William Schmidt. He is President of both the Fort Worth Chamber Foundation and the Stonegate Phase I Homeowners Association. Hahn sits on numerous boards throughout the Fort Worth area, and is also a licensed Texas real estate broker and a registered professional engineer in Texas. His leadership is an asset to the Board.

Louis R. "Mac" McLain III, Director of Major Gifts for Texas Wesleyan University, has been elected as the Board's secretary/treasurer. McLain's commitment to excellence in business and investments along with his concern for the future of Fort Worth made him a choice candidate for the position.

McLain will have to fill the shoes of Jim Lattimore, who had served on the Board for 27 years, since its origination in 1981. "Jim has played an enormous role in forming the history and future of this organization. His enthusiasm, time, and faithful commitment still inspires others to join in our task. We will miss him very much," said Joyce.

Believed to be a national model for private sector support of professionalism in police work, The Fort Worth Police Officers' Award Foundation's mission is to recognize and reward excellence on the part of individual officers. They are recognized for applying good business and management principles and sound judgment to their daily jobs of protecting the public.
