FORT WORTH POLICE OFFICERS' AWARD FOUNDATION CELEBRATES 30 YEARS

The Fort Worth Police Officers' Award Foundation celebrated 30 years of support and service on Nov. 17, 2011 during the annual meeting held at the City Club of Fort Worth. The Foundation, founded in 1981, was established by the business community to support local police and recognize excellence in performance. Trustees and community supporters continue this tradition, raising money in the Fort Worth community to support officers and their families. For more information, please visit the Foundation's website at www.fwpoliceawards.org.
