POLICE AWARDS FOUNDATION DRAWS BOARD MEMBERS FROM LOCAL LEADERSHIP

The Fort Worth Police Officers' Award Foundation proudly announces three new board members and the election of new officers. Brian Williams of BNSF Railway Police, Todd Miller of Worth Benefits and Consultants, Inc., and Kenneth Jones, a retired attorney, bring new ideas and energy to the Foundation's Board of Trustees. The Board remains committed to the Foundation's mission—recognizing and promoting professionalism and excellence of Fort Worth Police Officers. Board Members are drawn from community leaders who are excited about the support and partnership between citizens and the Fort Worth police officers who work to keep the city safe.

Newly elected board officers are: Chair, Larry Anfin, Coors Fort Worth; Vice Chair, Tim Gilpin, Lonestar Land Services, LLC; and Secretary-Treasurer, Robert J. Glaser Jr., recently retired from American Airlines. Anfin is a long time member of the Board and the grandson of one of the founding members, John V. McMillan.

Founded in 1981, the Foundation is the first and only organization of its kind in the US—dedicated to providing support for more than 30,000 police officers who work day in and day out to keep Fort Worth safe. The Panther Club, the newest addition to the Foundation's programming, is a unique initiative aimed at strengthening the partnership between the Fort Worth public and police officers. With a successful launch in 2013, membership is expected to build in 2014 as more and more citizens place a Panther Club decal on their vehicles showing public support for our officers. Individual and business memberships are available. For more information and to get your 2014 Panther Club decal, visit www.fwpoliceawards.org/panther-club.

The Foundation hosts special events for police officers throughout the year including an annual awards dinner recognizing the Department's top officers as well as a family weekend at the Fort Worth Zoo. Additionally, the Foundation raises funds and applies them to the necessary training that prepares our officers to face some of the most dangerous situations.
